

FOUR SEASONS  
RESORT  
SEYCHELLES

# TROPICAL TREEHOUSE LIVING

Located in the south of Mahé island, Four Seasons Resort Seychelles is nestled into the hillside overlooking Petite Anse bay, which is often referred to as one of the most beautiful in Seychelles. With an award-winning hilltop Spa, unique dining experiences and luxuriously appointed treehouse style villas, the Resort is a haven for romantics and the ultimate Seychelles retreat.

## LOCATION

- Set on 170 acres of tropical hillside, overlooking the picturesque Petite Anse beach
- Lush foliage and ancient granite rocks weave in between the treehouse style villas nestled amongst the hillside, with villas facing out onto the Indian Ocean
- 30 minute drive from Mahé International Airport

## ACCOMMODATIONS

- 62 spacious single bedroom villas, each with their own private infinity pool
- 5 luxuriously appointed suites ranging from two to three bedrooms
- 27 Residence Villas, eight of which are currently available for rental
- Creole inspired interiors, large outdoor areas and opulent furnishings create a home-from-home atmosphere

## DINING

- Two restaurants and two bars
- 24 hour In Villa Dining service
- Themed dining evenings and additional weekly offerings at pop-up venues such as the beach side picnic area and Steak Shack

## SPA & FITNESS

- Award-winning hilltop Spa with seven treatment rooms
- 24 hour TechnoGym fitness centre
- Two resident yoga instructors who run a weekly programme of classes

## MEETINGS & EVENTS

- Intimate venues for small celebrations and gatherings
- Beach weddings perfect for small bespoke ceremonies for up to 20 guests
- Unique private dining spaces including the Resort's ancient Creole ruin called Foubma
- Private Residence Villas available for small functions and gatherings

## SERVICES & AMENITIES

- Kids For All Seasons 'Pti Torti' kids' club
- Selection of non-motorised watersports including kayaks, pedalos and snorkelling equipment available
- Marine education onsite, by WiseOceans
- Surf lessons provided by TropicSurf
