Restaurants & Bars

The two restaurants of Hotel L'Archipel are among the finest on Praslin.

La Gigolette opens its large windows and terrace right on the beach and guests can enjoy the soft breeze and the stunning ocean view while savouring delicious international and traditional Creole cuisines with modern twists on classic dishes.

Located on the first floor by the bar, **La Feuille d'Or**, also offers a breathtaking panorama and a more secluded atmosphere, ideal when the weather does not allow for outdoor dining.

The hotel also caters for "Picnic Lunches", for both in-house hotel guests and outside guests.

The swimming pool adjoins the restaurant and the bar & cocktail lounge, which is a friendly meeting place.

Last order is taken at 21h.

N.B: Gentlemen are expected to wear trousers after 19h at the bar and restaurants
